HARRIS FAMILY FOUNDATION

From Opportunity to Achievement

Inaugural Board of Directors Meeting Recap
September 18, 2026

The Harris Family Foundation officially held its inaugural Board of Directors meeting on September 18, 2026, marking an exciting milestone in the foundation's journey toward creating meaningful opportunities for underserved youth and families.

This first meeting provided an opportunity for board members to introduce themselves, get to know one another, share their professional backgrounds, and discuss their collective vision for the foundation's future.

Building Our Foundation
The Board discussed the foundation's mission, vision, and organizational goals for 2026–2027. Key priorities included expanding the Bridge the Gap Scholarship Initiative, developing mentorship and leadership programs, increasing career readiness opportunities, and strengthening community partnerships.

Board Governance & Leadership
Board members reviewed the foundation's organizational structure, proposed committees, and leadership responsibilities. These discussions emphasized the importance of collaboration, accountability, and establishing a strong foundation for future growth.

Board Action & Approval
During the Board's October 16, 2026, meeting, members voted to approve the agenda items brought forward for consideration, advancing the foundation's organizational priorities and planned initiatives.

Looking Ahead
Our inaugural meeting marked the beginning of a shared commitment to serving students, empowering families, and strengthening communities.

As the Harris Family Foundation continues to grow, our Board of Directors remains dedicated to turning our collective vision into measurable community impact.

Together, we are building bridges from opportunity to achievement.
